stampin' pretty
a step-by-step tutorial

1. Create a 4 1/4 x 5 1/2 card base using Thick Whisper White card stock and the Stampin' Trimmer. The trimmer cuts and scores!
2. Adhere a 4 x 5 1/4 piece of Blueberry Bushel card stock to the card base with Snail Adhesive.
3. Stamp flower trio and sentiment (Love What You Do Photopolymer Stamp Set) in Blueberry Bushel ink on Whisper White card stock. I used a Stamparatus (available June 1) for perfect placement

4. There are two texture stamps that layer color on the flower blooms. I stamped the larger of the two texture stamps off once on a piece of scrap paper before stamping in Blueberry Bushel. This lightens the color. I stamped the smaller of the two texture images in Blueberry Bushel in the center, without stamping off for more intensity.
5. Self-adhesive Pearl Basic Jewels add a pop of random personality. Adhere stamped layer to card base with Snail Adhesive
