1. Create a 4 1/4 x 5 1/2 card base with the Stampin' Up! Trimmer and Thick Whisper White card stock.
2. Emboss a 4 x 5 1/4 piece of Crushed Curry card stock with the Ruffled Dynamic Textured Impressions Embossing Folder and the Big Shot Die-Cutting Machine. Adhere to card base with Snail Adhesive.
3. Emboss a 3 x 3 1/2 piece of Basic Gray card stock with the Basket Weave Dynamic Textured Impressions Embossing Folder (available June 1). Adhere with Snail Adhesive as shown.
4. Emboss a 3 x 4 1/4 piece of Whisper White card stock with the Ruffled embossing folder. Adhere with Snail Adhesive as shown.
5. Stamp lemons (Crushed Curry ink) and leaves (Basic Gray Ink) from the Lemon Zest stamp set on Whisper White card stock. Crop lemons and leaves with the Lemon Builder Punch. TIP: Flip the punch over before you stamp to determine the orientation of the images on the punch and stamp accordingly. I like to use strips to "feed" stamp images into builder punches and minimize waste.

6. Punch two additional vellum stems with the Leaf Punch. Build texture and depth by assembling and adhering lemons and stems as shown with Snail Adhesive and Stampin' Dimensionals (to the card base). The lemon on the right adheres to the lemon on the left with Stampin' Dimensionals.
7. Stamp sentiment (Lemon Zest stamp set) in Basic Gray ink on Whisper White card stock. Crop using the Big Shot Die-Cutting Machine, Stitched Shapes Framelits Dies and the Magnetic Platform (to keep die in place over the sentiment). Adhere with Stampin' Dimensionals.
8. Add the sentiment (Lemon Zest stamp set) in Basic Gray ink to card interior. I used the Basket Weave embossing folder on a 4 x 5 1/4 piece of Basic Gray card stock. I use this as a coordinating "cushion" for the top of the card when being mailed in an envelope.
