stampin' pretty
a step-by-step tutorial

1. Create a 4 1/4 x 5 1/2 card base using Thick Whisper White card stock and the Stampin' Trimmer. The trimmer cuts and scores!
2. Adhere a 4 x 5 1/4 piece of Garden Impressions Designer Series Paper to the card base with Snail Adhesive.
3. Cut a piece of Whisper White Thick card stock to 3 3/4 x 5. Run through the Big Shot Die-Cutting Machine with the deer die from the Detailed Deer Thinlits Dies. **TIP:** I used Thick Whisper White for the top layer. It is sturdier when adding a layer with negative space (in this case the deer).
4. Using the [Stamparatus](#) stamp positioning tool, stamp the "Cheers to the New Year" sentiment in Blueberry Bushel Ink onto the Thick Whisper White layer, angled with the deer.

Cheers to the New Year Deer Card

5. Adhere to the card base with Stampin' Dimensionals. TIP: When using the negative space of a die, use Stampin' Dimensionals and Mini Stampin' Dimensionals generously, especially around the die cut area. This really takes advantage of the 3-D effect.
