stampin' pretty
a step-by-step tutorial

1. Create a 5 1/2 x 4 1/4 card base using Thick Whisper White card stock and the Stampin' Trimmer.
2. Adhere a 5 1/4 x 4 piece of Gold Foil to the card base with Snail Adhesive.
3. Cut a piece of Whisper White Thick card stock to 5 x 3 3/4. Run through the Big Shot Die-Cutting Machine with the deer die from the Detailed Deer Thinlits Dies. **Tip:** I used Thick Whisper White for the top layer. It is sturdier when adding a layer with negative space (in this case the deer).
4. Using the [Stamparatus](#) stamp positioning tool, stamp the "Merry Christmas" sentiment in Versamark Ink. Cover with Gold Stampin' Emboss Powder. Flick the card stock to remove the excess powder, then set with a Heat Tool.

5. Adhere to the card with Stampin' Dimensionals. **TIP:** When using the negative space of a die, use Stampin' Dimensionals and Mini Stampin' Dimensionals generously, especially around the die cut area. This really takes advantage of the 3-D effect.
6. Create a bow using Stampin' Up! Real Red 1/8 Solid Ribbon. Adhere with a Mini Glue Dot.
