

A "Bushel" of Shine with Humming Along

Mary Fish

mary@stampinpretty.com

<http://stampinpretty.com>

1. Create 4 1/4 x 5 1/2 card bases using Whisper White Thick card stock and the Stampin' Trimmer. It cuts and scores, making a card base easy to create.
2. Adhere a 3 1/2 x 4 3/4 piece of Vellum card stock to the card base with Snail Adhesive. Apply snail in the center where it can't be seen when the hummingbird layer is added.
3. Using the [Stamaparatus](#) stamp positioning tool, stamp the hummingbird (Humming Along Cling Stamp Set) in Versamark Ink onto a 2 3/4 x 4 piece of Berry Burst or Mango Melody card stock. Cover with Blueberry Bushel Stampin' Emboss Power, flick to remove excess, and set with a Heat Tool. You can view my [WOW! video](#) that offers 5 tips for heat embossing [here](#).
4. **What is a cling stamp?** Watch this [Stampin' Up! video demonstration by Natalie](#) which shares tips and shows how Stampin' Up! vastly improved the "cling" on our red rubber image stickers! Red rubber cling stamps will be available starting on Jan. 3 when the Occasions Catalog and Sale-A-Bration promotion begin.

5. **Stampin' Up! is the master of coordination!** Wrap a piece of Blueberry Bushel 1/8" Grosgrain Ribbon around the bottom of the card stock, securing with a bow. Adhere to the card with Stampin' Dimensionals.
6. Stamp the sentiment using the [Stamparatus](#) in Versamark Ink onto Whisper White card stock. Cover with Blueberry Bushel Stampin' Emboss Power, flick to remove excess, and set with a Heat Tool. Crop the sentiment with the Pretty Label Punch and adhere with Stampin' Dimensionals.
7. Add three Best Route Enamel Dots to the image or the sentiment for an added touch.
8. Crop a coordinating piece of Garden Impressions Designer Series Paper with the envelope liner die (Beautiful Layers Thinlits Dies) and adhere to the outside flap of a Whisper White Medium Envelope.
