6. Decorate as desired with Designer Series Paper.

7. NOTE: Kadie used a retired Sale-A-Bration card kit to create her Narrow Note Card Holder with the decorative edge. TIP TO CREATE A DECORATIVE EDGE: Use the edgelit from the Be Mine Stitched Framelits Dies (or similar) to create your own custom edge to step-up the note card holder. You can see my video demonstration on using the edgelit to create a decorative edge on a Medium Envelope [here](#).
