1. Begin by burnishing a Very Vanilla Note Card base with a Bone Folder.
2. Use a die-cutting machine to crop the following: 4 1/8 x 3 Stitched Rectangle of Very Vanilla card stock and the tree from Sweet Silhouette Dies in Early Espresso card stock.
3. Adhere the stitched rectangle to the note card base with Stampin' Dimensionals.
4. Adhere the tree as shown with bits of Snail Adhesive.
5. Use the [Stamparatus](#) to stamp the truck and sentiment (Ride With Me Stamp Set) in Early Espresso Ink onto Very Vanilla card stock. Snip with Paper Snips. Adhere to the card with Stampin' Dimensionals.

6. Add a double bow of Linen Thread to the left side of the sentiment, adhering with a Mini Glue Dot that has been rolled between your fingers to keep it hidden.
7. POP OF PERSONALITY! Add a Heart Epoxy Droplet that has been colored with a Dark Cherry Cobbler Stampin' Blend to the truck door.
8. The final touch is adding a piece of the wood grain Pressed Petals Specialty Designer Series Paper to the flap of the note card envelope using the envelope liner die from the Beautiful Layers Dies. Watch my WOW! video [here](#) (approximately the 4 1/2 minute mark) for details on how to cut the flap with a die-cutting machine and die.
