stampin' pretty
a step-by-step tutorial

1. Begin with a 4 1/4 x 5 1/2 card base of Very Vanilla Thick card stock.
2. Layer and adhere a 4 x 5 1/4 piece of Brightly Gleaming Specialty Designer Series Paper to a 1/8 x 5 3/8 piece of Copper Foil with Snail Adhesive. **TIP:** Remove the center of the Copper Foil with the largest Stitched Rectangle Die to get the most of your Copper Foil Sheets.
3. Adhere to the card with Stampin' Dimensionals.
4. Use the [Stamparatus](#) to position and stamp the filigree (Christmas Gleaming) in Night of Navy Ink onto a 2 3/4 x 4 1/8 piece of Very Vanilla card stock.
5. Adhere to a 2 7/8 x 4 1/4 piece of Copper Foil with Snail Adhesive. Adhere to the card with Stampin' Dimensionals.
6. Use the [Stamparatus](#) to stamp the "Merry Christmas" sentiment (Christmas Gleaming) in Night of Navy Ink onto a piece of Very Vanilla card stock.
7. Crop with the Classic Label Punch. Snip the ends with a Paper Snips. Adhere with Mini Stampin' Dimensionals.
8. Use the [Stamparatus](#) to stamp the ornament in Versamark Ink onto a piece of Copper Foil that has been lightly rubbed with an Embossing Buddy.

9. Cover with Clear Stampin' Emboss Powder, flick to remove the excess, and set with a Heat Tool.
10. Crop with the coordinating Gleaming Ornaments Punch. Adhere with Stampin' Dimensionals.
11. **POP OF PERSONALITY:** Add three Night of Navy Holiday Rhinestone Basic Jewels as shown.
12. Tie a bow of 1/4 Copper Trim. Adhere with a Mini Glue Dot.
13. **PERFECT POLISH:** Use an envelope liner die (Beautiful Layers Dies), a die-cutting and embossing machine, and the Brightly Gleaming Specialty Designer Series Paper to create an envelope liner. Adhere to the inside of a Stampin' Up! Whisper White Medium Envelope with Multipurpose Liquid Glue. **TIP:** To avoid embossing and plate marks, I dedicate a relatively clean bottom cutting plate for envelope liners. Flip the pattern over and cut on the opposite side. You can use a bone folder to help soften any lines.
