Each year, my paper crafting friend, Linda White, sends me a handcrafted desk calendar. I'm proud to share Linda's 2024 CD holder calendar today! Thank you, Linda, for allowing me to showcase your creative genius!

Linda purchases her pre-printed calendars from eBay. The seller id is [STLR11](#) and you can purchase them by [clicking here](#) or the button below. She buys the CD cases in bulk from [calendarcase.com](#) but they are often available on Etsy and Amazon. They are usually called calendar case jewel CD holders.

The base piece of card stock measures 4 3/4 x 5 1/2. Each calendar measures 3 1/2 x 5 and is matted on a 3 3/4 x 5 1/4 piece Basic Black card stock. Many products are retired but can easily be substituted if you don't have them.
