Each year, my paper crafting friend, Linda White, sends me a handcrafted desk calendar. I'm proud to share Linda's 2025 CD holder calendar! Thank you, Linda, for allowing me to showcase your creative genius!

## blank 3.5 x 5 calendars

- Linda purchases her pre-printed calendars from eBay. The previous vendor is no longer selling them, but she found another vendor, similar in pricing and style. The seller id is [Quick Connections Office Supplies](#) and you can purchase the 2025 (if available) by clicking [here](#).

## cd cases for the easel

- Linda buys the CD cases in bulk from [calendarcase.com](#) (direct link [here](#)) but they are often available on Etsy and Amazon. They are usually called calendar case jewel CD holders.

## sizing and calendar supplies

- The base piece of card stock measures 4 3/4 x 5 1/2. Each calendar measures 3 1/2 x 5 and is matted on a 3 3/4 x 5 1/4 piece Basic Black card stock. Many products are retired but can easily be substituted if you don't have them.
